

PROJECTINSIGHT

PROJECTINSIGHT is a Life Management System that is intended to give participants profound insights that will plant the seeds of choice and responsibility deep within their consciousness. The program is designed to foster the exploration and practice of personal and inter-personal growth while establishing a viable community of support for college students.

Please Note:

- ❖ PROJECT INSIGHT is *not* a religious program.
- ❖ PROJECT INSIGHT is *not* a sex education program.
- ❖ PROJECT INSIGHT is *not* a political program.
- ❖ PROJECT INSIGHT is *not* therapy.
